

CustomDisplay

```
graph BT; amioption --|> CustomDisplay
```

A UML class diagram illustrating a generalization relationship. At the bottom is a class box for 'amioption', which is shaded gray with a thick black border. A solid blue arrow points vertically upwards from the top center of the 'amioption' box to the bottom center of the 'CustomDisplay' box. The 'CustomDisplay' box is white with a thin gray border. This arrow represents inheritance or generalization, indicating that 'amioption' is a specialized version of 'CustomDisplay'.
